

Summit Sun

"Let us Shine"

Resilience is a characteristic that is championed by our staff, students and community on a daily basis. For this, I am truly lucky!

COVID has once again played an active part in attempting to spoil our plans through illness in both staff and students which has led to us having to reschedule both our Marvellous Markets afternoon and Pasta Night for later in the term. Despite these challenges, our staff continue to lead by example and provide both challenging and engaging programs as well as support for those students and families who have sat through isolation. Our students continue to lead by example and exercise our Learner Qualities.

NAPLAN

Congratulations to our Year 3 and 5 students for successfully completing their very first NAPLAN assessments. All students performed to the best of their abilities.

Way2Go Surveys

Many thanks to the staff, students and families who have taken the time to complete our Way2Go Travel Surveys. The information gathered from this will be collated by members from the Department for Transport and Infrastructure to develop meaningful travel actions for our school. Our team will meet with them early in Term 3 to discuss the results and next steps.

Berry Street Pupil Free Day-Monday 16th May

Our staff have completed their second module of the Berry Street Education Program online. The focus was on Relationships, where staff were involved in a series of interactive conversations and reflective activities with both the trainer and their peers using random breakout rooms during the day to encourage conversation and participation. This training along with the first module focus on 'Emotional Regulation' and 'Readiness to Learn' has provided our staff with the necessary tools and strategies towards developing a whole school approach on how we best develop our students holistically.

Community Survey Update-'What makes our school and community such a great place to live, grow and learn?'

We have begun selecting our top 3 responses from our parents, staff and students in order to create a video promoting our school which will be published on our website and other forms of media. We can't wait to finalise this process and share it with you.

Peer Mediators

Congratulations to our Year 6 students for successfully completing their Peer Mediation training. Over the past fortnight, each student has successfully taken turns to be active in the yard during break times by assisting in the mediation of low-level issues such as turn taking on the swings.

The Peer Mediation program provides students with the basic skills necessary to enter respectfully enter a conversation, state their purpose for doing so, and work with all parties involved to reach a healthy resolution by using restorative practice questioning techniques.

Play at Lunch Time Games

Each fortnight, student leaders take turns running scheduled games during Tuesday and Thursday lunchtimes for students in Reception to Year 5. This concept has been working extremely well alongside our very popular Ga-Ga Ball, Burry and Minecraft clubs held throughout the week.

The idea came about by having our student leaders wanting to be involved in running games independently. After brainstorming and voting, they came up with a list of activities which include; skipping, Dance/Karaoke, Craft/Origami, Chess, Drama and Table Tennis.

Well done team!

Federal Election BBQ Success!

Thank you to our Parents and Friends Committee and dedicated students who took time out from their busy schedules to support our school. We raised a massive \$900.

We would like to say a huge thank you to all of our wonderful volunteers who are part of our community on a regular basis.

Warm Me up Wednesdays Are Here!

Thank you to our Parents and Friends Committee who are serving fresh homemade soup to our students and staff at a small cost each Wednesday this term.

This week's awesome committee member Janice is helping serve up homemade vegetable soup with pasta wheels and a bread roll. Yummy!

NEXT WEEK – SOUP LUNCH

NSPS
Parents and Friends
are offering
Soup
on Wednesday 15/6/22

Cream of Veggie soup and a bread roll
(or provide your own sandwich for us to toast)
= \$3.

Please provide a paper bag with your student's name on the outside & money inside by Wednesday morning.

Berry Street Circle Time

Classes have begun trialling 'Circle Time' as part of their morning and end of day routines. The exercise has an intentional focus on developing positive interactions amongst students and teachers. The process follows a structured process including; Greetings with a positive touch, values, expectations, announcements (birthdays and special events), positive primers to encourage the flow of positive emotions and what went well to conclude the day. It is something that both our staff and students are enjoying.

Award Winners

Congratulations to our students who received their Awards for exemplifying our Resilience Learner Quality. We have also begun celebrating those students who receive a positive Office Referral for demonstrating exceptional behaviour. We are very proud of you all!

Corridor Creations

Our students in both the Reception-Year 1 and Year 4-6 classes have put their artistic skills on display as part of our growing Corridor Art exhibition.

Our Reception-Year 1 students have created self-portraits using crayons and water colours.

Our Year4-6 students have created their own works inspired by their research on the Renaissance Artist, Vincent Van Gough.

Jump Rope for Heart kicks off this term!

Jump Rope for Heart is the Heart Foundation's primary school skipping challenge that helps kids move more, have fun and raise funds for lifesaving research and programs.

This year is the 40th year of Jump Rope for Heart! To celebrate this milestone, we've got an audacious goal to see our student Heart Heroes at Norton Summit to log 40 hours of skipping throughout the program!

It's important you register your child online, so they can receive the full benefits of the program and participate in online fundraising, simply follow the link below to get started. www.jumprope.org.au/parents

Students will be skipping each week during both PE lessons and Tuesday Lunch times, during this time you can share their online fundraising page with family and friends to help raise money for this great cause.

We will hold our school Jump Off Day in Week 9 on Friday 1st July at 9am, this will mark the end of the program and is a chance for everyone to come together to skip and show off their newly learned skills.

Thank you for supporting the Jump Rope for Heart program

Governing Council Spotlight

Name: Jacqui Leopardi

Position: General Manager

Years of Service: 2

One Pet Love: Getting away in the caravan

One Pet Hate: Stepping in dog poo

Why I chose to be a Governing Council Member: Learning more about the school helping to build a strong foundation

Name: Alexandra Begg

Position: General Member/Parents and Friends Coordinator

Years of Service: 3

On Pet Love: Wild places

One Pet Hate: Too many hot days

Why I chose to be a Governing Council Member: Keeping in touch with and contributing to our wonderful school!

WHAT DID OSHC GET UP TO IN WEEK 3?

Week 3 was all about games!

Children were given the opportunity to play board games.

Children learn to negotiate and play according to rules.

MTOP: 1.2,1.3,2.3,4.1, 4.2 & 5.1

Children made up their own games in the gym and taught their peers the rules.

WHAT DID OSHC GET UP TO IN WEEK 4?

This week students helped make elephant toothpaste!

Students were observing chemical changes at work.

MTOP: 1.3,4.1,4.2,4.4,5.1

With Winter on the way, children are eating seasonal fruits such as citrus and apples. Children are also enjoying hot foods such as these pizza pinwheels.

ENROL NOW IN PRESCHOOL

Children who
turn 4 before
1 May 2023
can access up
to 15 hours of
preschool per
week.

For a great start
in life, enrol your
child in one of SA's
nation-leading
public preschools
and kindergartens

Register
your interest
by 30 June
for the 2023
intake

Mercado Maravilloso

Dear Families,

On Wednesday June 22nd we are excited to present Mercado Maravilloso (Marvellous Market).

In order to purchase goods you will need to brush up on your Spanish language as we'll communicate using the Spanish words necessary to shop.

No need to panic as we'll have translators available to assist your shopping experience.

In order to make our market successful, we'll need lots of donations. We would be grateful if you could donate non-perishable items (books, bric-a-brac, home made craft items, jams) anytime between now and then.

On the morning of the market we'd love to receive fresh fruit/vegetables, plants, flowers, cakes, biscuits, etc. Please be mindful to label baked goods (list all ingredients) due to health restrictions and allergies and send your child to school with a bit of pocket money to spend.

Funds raised will go towards purchasing an item for the school the children choose to benefit all students.

Friends and family are all welcome!

WHEN- Wednesday June 22nd

TIME- 2.30pm-3.20pm

Muchas Gracias

Norton Summit Primary School

Pasta Night
